

Preside® - Where People and Ideas Connect Fact Sheet

Top Features

- Preside is a comprehensive conference and collaborative laminate table solution that can be customized to accommodate one to thirty people
- Preside integrates power, technology, and storage to enrich the user experience and ensure effective communication. When used together, the Preside series creates spaces where people can present and work comfortably.

Where It Works

- Versatile enough for touchdown spaces, meeting rooms, cafés, and even creative spaces, Preside offers everything from a contemporary, light-scale vibe to a more classic aesthetic.

Product Details

- With seven top shapes in multiple widths and depths, Preside provides a tabletop for every space in the office- from private offices, small or large conference rooms, touchdown spaces to creative workstations
- Create tabletops from 2' to 30' and beyond with 6' adder sections that can be added to modular tops in rectangle, boat, arc end, or racetrack shapes
- Edge detail options match most coordinating HON desk lines. Edge options include flat, knife, T-mold, and traditional
- Power and data are easily routed to the table-top through flip-top or pop-up ports. Order a blank cutout insert to provide a customized power solution for additional needs
- Wire management bases provide easy access to cables and cords
- Preside offers laminate customizable bases in a variety of styles including panel, cube, cylinder, or X-bases
- Customize tables with metal bases in a variety of styles and heights including T, X, angled leg, footed X and footed Y bases. Casters are available on select models
- The Preside collaborative table, available in seated and standing height in 2 depths, can be powered, non-powered, or ganged to allow for collaboration to happen in any space
- Preside mobile collaborative tables are available in seated- or standing-height options. A pop of color sparks inspiration while butcher block or laminate worksurfaces let you tinker and experiment
- The team touchdown table, available in seated or standing height, offers an easy-to-specify and easy-to-gather-around feel that provides power and an optional TV mount to achieve a solution for quick meetings
- All Preside components, from tables to support models, are available in multiple choices of durable, wear-resistant laminates and paint colors
- Backed by HON's Full Lifetime Warranty
