When parts are needed to repair HON products, the following guidelines should be followed to expedite the process.

1. Contact the Parts Department at
Consumer Number: 1-800-336-8398.
Direct Dealers: Use standard HON 800 number.
They will assist you with your order and answer any questions on parts.

2. When placing a **warranty** parts order:

If the product is under warranty, the product serial number must be provided. Most finished goods products have a serial number placed on them at the factory. The label containing the serial number is located:

Vertical Files —

right side of the uppermost drawer

Lateral Files —

Desks, Credenzas, & Returns —

on the outside, kneespace side of the top drawer. Fully extend the drawer to find it.

Desks, Credenzas, Corner Units, Bridges, Peninsulas & Returns without drawers —

NOTE: Removal of the serial number tag from the product voids the warranty.

3. There are no discounts applied to parts. Pricing quoted is the net value. Parts pricing is subject to change without notice.
4. The minimum order for a part not covered by warranty is \$7.50 (includes shipping and handling.)
5. All keys are \$4.00 each plus a shipping and handling fee of \$3.00 per shipping location.
6. Parts may be paid for with an approved credit card. Approved Cards: MasterCard, VISA and American Express.
7. Due to the short leadtimes on parts, no changes are accepted after the order has been placed.

An important note regarding Product Serial Numbers:

HON desks, tables, chairs, files and systems components are tagged with a serial number. This number helps us identify *when and where your product was made*, and to identify and correct the root causes for the problem. NEITHER THE DEALER NOR THE CONSUMER SHOULD REMOVE THIS TAG UNDER ANY CIRCUMSTANCES. To do so immediately voids your Warranty coverage for that particular item and prevents us from further identifying it. Instead, please transcribe the number and call your Dealer.
