

Flagship® Desk Towers and Worksurfaces

Making your job easier makes us happier. One of the ways we do that is by designing cleverly compact all-in-one components. With multi-purpose towers and additional worksurfaces, you can multi-task to your heart's content. And when we can help you do your job more efficiently and easily, everybody's happy.

see pages 2-3

End tower with bookcase

- Creates additional worksurface by extending useful area.
- Convenient, easily accessible storage is ideal for reference materials and quick-retrieval projects.
- Ideal for coordinating with the Initiate® panel system.

Desk tower with peninsula worksurface

- Flexible, all-in-one unit can be used freestanding or fits easily within a panel system.
- Pedestal back removes for simple and accessible cable and cord management.
- Readily accepts Initiate® accessories such as shelf, tackboard and paper management tools.

See page 234 for the complete selection.
