

# Simplicity® II

Sometimes the best solution is the simplest. Simplicity II panels make it easy to plan and design flexible office space configurations. Start with Simplicity II basics, and add on as your work evolves and office needs change. Regardless of your needs, Simplicity II is a simple, economical system.

- Simplicity II is an economical panel option that can provide simple space division or fully-featured workstations.
- Simplicity II can provide complete workstation capabilities including privacy, worksurfaces, storage and power/data options.
- Simplicity II panels are a quick and attractive way to provide acoustical and visual privacy.

See pages 243-245 for the complete selection.
