## Student Desks and Chairs

Now, pay attention class! Our student desks help your students do just that, with their comfortable ergonomic design, and chairs which offer essential lumbar support. Classic good looks, durable surfaces, vivid colors and easily reconfigurable combinations provide a textbook-perfect classroom desk value.

- Select cantilever or four-leg styles in desks, seating and combo units to suit your classroom needs.
- Desks feature patented ergonomic design with easy-care seamless writing surface, and user armrest and radius edges for comfort.
- Full-size chairs with integral lumbar support encourage healthy posture and enhance student comfort.

**Shown in Natural Maple/Titanium  
with chairs in Green.**

See page 259 for the complete selection.

- An excellent value and economical choice, this traditional desk and chair design coordinates easily with existing classroom furniture.
- Durable desktop is designed for intensive use. Desk legs adjust to accommodate all sizes of students.
- Available in four heights for students large and small, chairs feature a vented back and built-in side handles for easy mobility.
