

Storage Cabinets

If your desk is the heart of your office, then your storage cabinets are the backbone. With a firm foundation of sturdy, dependable cabinets for storing essential items, important work won't get mislaid under that pile of supplies that belongs in the cabinet.

Flagship® storage cabinet

- Pick the look you like from three handle styles: Arch, full-face integral or full-radius pulls.
- Standard features include wire management grommet, adjustable shelves and lock.
- Coordinates with matching Flagship lateral files.

See page 234 for the complete selection.

see pages 2-3
