When parts are needed to repair HON products, the following guidelines should be followed to expedite the process.

1. Contact the Parts Department at **Consumer Number: 1-800-336-8398**. Direct Dealers: Use standard HON 800 number. They will assist you with your order and answer any questions on parts.
2. There are no discounts applied to parts. Pricing quoted is the net value. Parts pricing is subject to change without notice.
3. The minimum order for a part not covered by warranty is \$7.50 (includes shipping and handling).
4. All keys are \$6.00 each plus a shipping and handling fee of \$3.00 per shipping location.
5. Touch-up paint brush bottles are \$7.00 each, spray cans of paint are \$14.50 each, plus shipping and handling. Note: All aerosol spray paint will be shipped via FedEx ground only.
6. Parts may be paid for with an approved credit card. Approved Cards: MasterCard, VISA and American Express.
7. Payment terms for invoiced parts are Net 30 days.
8. Due to short leadtimes on parts, no changes will be accepted after the order has been placed.
9. When placing a **warranty** parts order:

If the product is under warranty, the product serial number must be provided. Most finished goods products have a serial number placed on them at the factory. The label containing the serial number is located:

Vertical Files — right side of the uppermost drawer

Lateral Files — left side of the uppermost drawer or shelf

Desk Towers — outside of top drawer

Desks, Credenzas, & Returns — on the outside, kneespace side of the top drawer. Fully extend the drawer to find it.

Desks, Credenzas, Corner Units, Bridges, Peninsulas & Returns without drawers — underside of top

Tables and Stands — underside of the top

Table Trucks — underside of side rail

Cabinets & Bookcases — left inner side of the case

Modular Component Top and Backs — underside of top

Modular End Panels — top inside surface

Reception Stations — top inside surface of back panel

Organizers — top inside surface of left end panel near back panel

Vertical Paper Manager — back panel inside surface near top

Pedestals — bottom drawer right side exterior

Seating — underside of the seat

Panels — underside of the top cap

Hutches, Storage Units, Overhead Storage — underside of the shelf

Hanging Bookshelves — underside of shelf

NOTE: Removal of the serial number tag from the product voids the warranty.

An important note regarding Product Serial Numbers:

HON desks, tables, chairs, files and systems components are tagged with a serial number. This number helps us identify *when and where your product was made*, and to identify and correct the root causes for the problem. **NEITHER THE DEALER NOR THE CONSUMER SHOULD REMOVE THIS TAG UNDER ANY CIRCUMSTANCES.** To do so immediately voids your Warranty coverage for that particular item *and prevents us from further identifying it*. Instead, please transcribe the number and call your Dealer.
