

Laminate Tables

In the conference room, board room, lobby or lounge, our super-durable laminate tables deliver function as well as fashion. With a variety of styles in both contemporary and traditional designs, you can customize with your choice of top shape and base, and coordinate with all your other HON furniture.

Traditional tables

- Traditional tables offer a distinguished look in the boardroom or private office suite.
- High-gloss finish and high-pressure laminate provide beauty and durability through years of use.
- Elegant traditional design coordinates with 94000 Series desking (see pages 38-39) for a unified, personally designed look.

Occasional tables

- Durable laminate withstands heavy use in lobbies, reception rooms, lounges and other high-traffic areas – and still looks good.
- You can put just about everything on our laminate occasional tables, including lamps, magazines, telephones, plants, laptops and more.
- A wide selection of table styles and sizes complements our full line of laminate furniture.

Shown in Natural Maple with Valido™ storage (see pages 192-195) and Pillow-Soft™ chairs in Black Leather (see page 217).

See pages 250-251 and 252 for the complete selection.

Conference tables

- Choose your table top shape, then choose an edge design and a base style – multiple combinations available to complement any office.
- Quality high-pressure laminate surfaces provide strength and durability, performing and looking like new throughout years of use.
- Wire management is made simple with optional cord and power cut-outs, bringing electrical and data accessibility to the worksurface.
