

Perpetual®

Ultramodern. Minimalist. Flexible. Perpetual is all that – and more. With a fresh open design that facilitates creativity and layout adaptability, Perpetual is the smart choice for today's evolving workplace. Mobility, efficient storing capabilities and high-tech features make it the smart choice to meet your training or meeting room needs.

Select an edge style that suits your personal taste.

- Perpetual mixes a modern sensibility and stylish airy design with practical durability and functionality for a well-rounded line of tables and desks.
- Designed to serve across the office, Perpetual is available in fixed, nesting, conference and occasional tables, as well as attractive desking components and coordinating chairs.
- The perfect adaptable table for multi-purpose rooms that need frequent reconfiguring for training, conferencing and teaming or group applications.
