# Exceptional Durability

## America's best selling steel desk.

The steel construction of the 38000 Series allows it to stand up to heavy use and frequent relocation. So no matter how your business grows and changes, this desk can move right along with you. Pedestals feature Tru-Fit mitered drawer fronts for precision alignment when closed. And to help keep you organized, we've outfitted 38000 Series desks with integrated wire management and optional power hubs. Less mess means more space for great ideas.

Shown with Ignition® seating.
