THE HON COMPANY LAUNCHES GAME-CHANGING ACCELERATE™ LINE

(MUSCATINE, IA—FEBRUARY 20, 2013) – Poised to transform the office furniture industry, HON's Accelerate workstations deliver the ideal mix of ease, coordination, refined aesthetics and affordability. Accelerate allows HON to round out its panel system offering with a product that has unsurpassed quality standards and a functional, seamless design all at a relevant price-point.

Mark Roumfort, Vice President of Product Management and Development, describes the new Accelerate workstations as “providing all the functionality that the customer needs, but none of the features they’re unwilling to pay for.” Most importantly, Roumfort explains that Accelerate fosters a “winning formula that sets it apart from the competition.”

From reception areas to open environments to teaming spaces, Accelerate delivers the perfect fit. Accelerate's carefully thought out selection and new versatile 72" panel, make it simple to plan, order, install and reconfigure. The panels are a generous 2 $\frac{1}{8}$ " thick and feature clean reveals, combining to create a contemporary aesthetic. Clear and frosted glass stacker options deliver privacy while offering access to natural light. Worksurfaces for Accelerate are available in a variety of shapes and sizes to support countless configurations, and come standard with scallops that provide easy access to wiring. Metal

baserails allow quick access to data and power, and keeps networking neatly concealed and organized.

With the ability to coordinate with many HON offerings, Accelerate can be customized to create the perfect workspace. Components from Voi[®] and Abound[®] desking, as well as Flagship[®] and Brigade[™] storage, paired with Accelerate, deliver a clean, contemporary look and open the door for endless design possibilities.

This workstation system's clean lines and seamless aesthetic deliver compelling style without sacrifice. HON's industry-leading Full Lifetime Warranty ensures that Accelerate is built to last.

The time is now—Accelerate your speed of business with HON. To learn more about Accelerate workstations visit hon.com and search "Accelerate".

About The HON Company

Inspired by practicality and invested in understanding the needs of its customers, The HON Company strives to establish meaningful connections resulting in product solutions and customer support that exceed market demands. As a leading designer and manufacturer of workplace furniture including chairs, storage, panel systems, tables and desks, HON's commitment to serving its customers is rooted in reliable performance and a member culture that is approachable, confident, smart, and ready to serve. Headquartered in Muscatine, Iowa, The HON Company has numerous manufacturing facilities strategically located throughout the United States, and markets its products through a nationwide network of loyal dealers and retailers. The HON Company is an operating company of HNI Corporation (formerly HON INDUSTRIES). For more information, visit hon.com.
