

Convergence® – A Seat That’s Up for Any Task Fact Sheet

Top Features

- Convergence is the ideal 1-seat solution for any office, offering a contemporary design as well as customizable options for increased comfort and support at a budget-friendly price

Where It Works

- Supporting the fluid workday, Convergence is comfortable enough to use as a desk chair, flexible enough to showcase in conference rooms, and supportive enough to handle long hours of brainstorming
- Convergence task seating supports workers in both open floor plans and private offices and coordinates well with Accelerate® workstations, 101 Series™ desks and Empower® benching
