

Centerpiece™ Veneer Desks – Where Quality is Front and Center Fact Sheet

Top Features

- Hand-selected hardwood veneer and skilled craftsmanship set the tone for this adaptable desk collection designed to support any work style, including sit-to-stand
- Centerpiece's modular design accommodates individual layout and storage preferences
- Lustrous finishes provide exceptional depth, clarity, durability and chemical-resistance

Where It Works

- To make the private office more personal, Centerpiece offers multiple veneer desk configurations and storage solutions to create adaptable layouts with upscale design
- Centerpiece also brings the quality typically found in corner offices into collaborative and meeting spaces with multiple table sizes and hospitality credenzas, while the occasional tables are perfect for executive layouts and waiting areas
