

Flock® – Where People Migrate Fact Sheet

Top Features

- Flock is a full collection of flexible and comfortable lounge furniture that work seamlessly together to make the most of every square inch of space
- Supporting mobility and wellness, Flock brings casual settings into the workplace that allow everyone to find the comforts of home while they work

Where It Works

- Flock facilitates productivity by taking advantage of smaller spaces that aren't being utilized, making it easy to arrange collaborative areas near workstations for impromptu meetings, or optimizing community and welcoming areas to encourage interaction
- The combination of integrated technology and design versatility make it an ideal solution for any office or learning space — from planned meetings to breakroom conversations to touchdown spaces for mobile workers and students
- Flock promotes a healthier workday by creating untethered workspaces that encourage different postures throughout the office

Product Details

- Create a more contemporary aesthetic with the new Wide Lounge and Square Chair that sit atop a 4-star base; available in Textured Silver or Charcoal finishes and single or dual fabric
- The armless frame of the Wide Lounge blends well with modern environments and allows you to collaborate in any direction
- The slender, geometric frame of the Square Chair blends well with current design trends and provides supreme comfort and arm support
- New 2-and-three-seat base frames easily attach to modular units to reduce the number of visible feet, thus streamlining the look. Uses the standard round leg or add a tapered shroud to coordinate with other Flock leg options. Available in Textured Silver or Charcoal finishes
- Create serpentine-shaped lounge configurations with True Corner, Inside Wedge and Outside Wedge seating, Wedge ottoman, Wedge table and Rectangle table
- Seating includes Round and Square lounge chairs with Tapered Round leg, Tapered Square leg, casters, height-adjustable legs, Modular Chairs that can be ganged with left and right Modular Ends, Casual Guest chairs, Casual Lounge chairs, 4-leg Stools and Circular Base stool
- Swivel X-Base and Swivel Disc base options are available on the Square and Round Lounge as well as the single modular units in standard or Dual Fabric
- Tables include Cylinder and Cube collaborative tables; round, square, rectangle and racetrack tops; personal table; lounge, seated and café heights; built-in electrical capacity to foster connectivity regardless of room arrangement

- Mini Cube and Cylinder ottomans can double as seating and are available with optional casters for added mobility or laminate tops to create a mixed material, functional table
- Integrated electrical outlets give you the power to charge up and stay connected
- Laminate tablet accessory can be used with Collaborative Cube and Cylinder tables for additional workspace
- Available in a variety of laminate and finishes, paint and dual fabric combinations
- Designed by Brian Kane, an industrial designer and commercial furnishings expert
- Made in the USA
- Backed by HON's industry-leading Lifetime Warranty
