BE READY FOR WHAT HAPPENS NEXT

Are you able to turn a group space into a training room in a matter of minutes? The Motivate collection of products, including tables, seating and presentation tools, works together seamlessly to provide a comprehensive solution perfectly suited for any training application or virtually any collaborative environment. The way people work is constantly evolving, and they need comfort, flexibility, technology and quality that work with them. Motivate is the perfect way to have an environment adapt to collaborative needs and be ready for anything.

ADAPT. REACT. MOTIVATE.

A COMPREHENSIVE OFFERING
Motivate includes a complete line of seating, tables, and presentation products such as lecterns, presentation carts and mobile markerboards to support the most versatile environments.

READY FOR ANYTHING

Motivate products complete any environment, from a small impromptu meeting, to a dedicated collaborative space, to a large training area.
EVERYTHING YOU EXPECT. AND THEN SOME.

Turn any group space into a dynamic, flexible environment. Motivate tables are available with fixed, nesting, and height-adjustable base options, making them easy to set up, quick to rearrange and simple to store when not in use. Built-in modular power provides a pluggable non-sequential technology solution and can be snapped together without tools. Additional options include modesty panels, wire and technology management and ganging hardware. It’s everything you could want in a table and plenty more than you ever expected.
POWER AND FLEXIBILITY
Power wherever you need it. Extra space whenever you don’t. Motivate modesty panels offer the privacy you want, and Interlink IQ Electrical delivers the power and technology you need. Nesting tables move neatly out of the way when not in use, and height-adjustable tables adjust from 27.5” to 34.5” inches to accommodate any size user.

POWER, MOBILITY, QUALITY.
You can have it all with Motivate. Presentation carts, desktop lecterns and mobile markerboards offer all the tools necessary for a high-impact presentation. A variety of edge options allow you to create a conventional or contemporary look. Gain layout flexibility in your space by customizing tables with fixed or nesting bases. Increase comfort with table legs that are positioned closer to the edge to provide maximum legroom. Choose height-adjustable or nesting options, and put technology at your fingertips with grommets or flip tops that route power and wiring.

SUPPORTING THE WAY
PEOPLE WORK TOGETHER

People are collaborating in different ways every day. You need a flexible solution that brings people and space together in a way that fully utilizes both. Being lightweight and mobile, Motivate seating is ideal for collaborative settings that support multiple functions. Motivate can be stored in convenient, space-saving nests or stacks — ready to move when and where you need it. And don’t forget about comfort. The contoured plastic shell and flex-back technology intuitively provide balance and lumbar support for ergonomic recline. Optional 4-way stretch mesh back and upholstered seat enhance comfort with added airflow and cushioning. With Motivate, collaboration comes naturally.

NESTING/STACKING CHAIRS
Ready at a moment’s notice, they are comfortable enough to sit through a full day of training, yet easily and effortlessly pushed out of the way when not in use.

4-WAY STRETCH FABRIC
This innovative material increases support, comfort, breathability and air flow.

STACKING CHAIRS
Make the most of your space with these comfortable, lightweight chairs that stack six high.

SUPPORTIVE BACK
The plastic back cradles your body and flexes to allow greater support.

PRESSURE TESTING
Motivate seating was pressure tested against competitive products to ensure maximum comfort for longer periods of time.
Motivate chairs conform to your space just as well as they conform to your body. Whatever your needs, Motivate has the solution. From casters to glides, plastic shells to upholstered seats and backs, you get exactly what you want. Choose from high density or 4-leg stackers, swivel chairs and stools, or maximize your space with nesting/stacking chairs. Complement the current design in your space by choosing from a wide variety of colors and fabrics. Our optional upholstered seat and back feature wear-resistant fabrics that are durable and long-lasting, allowing you to enjoy Motivate for years to come.
COLOR OPTIONS
Match any color palette in your space with this vibrant, diverse color selection.

Tangelo  Cherry  Lime  Calypso  Surf  Regatta  Mulberry  Loft
Platinum  Lava  Shadow  Onyx  White

ARM & LEG OPTIONS
Choose from a variety of options, including fixed or tablet arms, sled bases, five-star bases, and legs with casters or glides.

BACK OPTIONS
Select an 4-way stretch back in Black, Fog, Tangerine or Tomato. Plastic shell back contours and cradles your back. Optional upholstered seat and back are available in a wide variety of colors to expand your level of customization.
