**PARK AVENUE  
COLLECTION®**  
5000 Series Seating

## ELEGANT FORM. RICH MATERIALS.

The Park Avenue Collection 5000 Series seating is a perfect complement to the Park Avenue Collection desks, storage, and conference solutions. This family of executive, task and guest seating offers the choice of a Polished Aluminum or Black frame with inlaid wood accents. The elegant tuxedo back design extends below the seat cushion to create a sophisticated look. The 5000 Series combines elegant form, rich materials and high-performance functionality to deliver all-day comfort for associates, while leaving a lasting impression on guests.

POLISHED ALUMINUM ARMS

### COMFORT CONTROLS

Park Avenue Collection 5000 Series executive and task chairs deliver customizable comfort controls including an advanced mid-range knee tilt that allows users to comfortably recline while keeping their feet on the floor.

#### TILT TENSION

The tilt tension control adjusts the amount of resistance during recline.

#### PNEUMATIC LIFT

The pneumatic height adjustment raises and lowers the seat to the desired height.
